

THE **OUT** FOUNDATION

OUR TEAM

We are a volunteer-led organization made up of five teams: Outreach, Marketing, Events, Finance, and Web Development. Each team is composed of experts in that field and is managed by a Team Lead who reports to the board of The OUT Foundation. Many volunteers, particularly in the board and among team leads, have also participated in community organizing and leadership efforts in other LGBTQ+ organizations serving the Mormon community. A vast majority of volunteers are LGBTQ+ BYU alumni who understand the challenges and needs of the LGBTQ+ BYU community, and are deeply committed to implementing The OUT Foundation's mission.
